

**Statement Attributable to the Spokesperson for the Secretary-General**  
**Bomb Attack in West Jerusalem**

The Secretary-General strongly condemns a bomb attack today adjacent to a bus stop in West Jerusalem, which has reportedly killed one woman and injured over thirty Israeli civilians, some of them seriously. Such attacks are unacceptable. The Secretary-General is deeply concerned and calls for an immediate cessation of acts of terrorism and violence against civilians in order to prevent further escalation and loss of life.
